

THE ROBBS UPDATE

April & May 2010

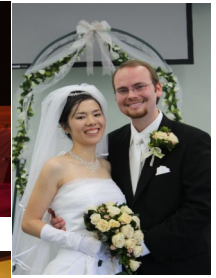

"To everything there is a season, a time for every purpose under heaven" Ecc.3:1

"To everything there is a season"

It seems like there has been a great deal of change taking place here. God has been sending people out, bringing people together, and beginning things, and re-starting old ones. For starters, there have been two marriages in our small fellowship within a month. I, Chuck, got to help out usher both weddings. Both ceremonies had their own unique character but were both beautiful. Yumi was the photographer for the first wedding.

Missionary Update

Part of the vision here at the church and at the Bible College is to send missionaries to various parts of Japan and the rest of the world. We have seen this come to pass recently: our good friend, Trevor Raichura, is now in Hokkaido, Japan (the northern-most of the four main Japanese islands) to serve in a church plant in the city of Sapporo. Hokkaido has cold winters, which is O.K., because Trevor is Canadian. We hope to visit him and our other friends Steve and Michiyo and family in the future.

Sending Trevor to Sapporo

"For God so loved the world that He gave His only Begotten Son, that whoever believes in Him should not perish but have everlasting life"

John 3:16

Kairi

For some time we have been putting Kairi, Yumi's English student, on our prayer requests. Kairi has finished her classes with Yumi, because she is traveling to Fiji to study English for a few months. Yumi has been sharing with her, and we are praying for her salvation. Could you please pray for her?

Summer Events

The Bible College semester came to a close, and the course in Genesis is now over. It has been a great to see the students get excited about the word of God. Many of the American students headed back home, but some of the Japanese students are staying here to help with outreaches, Vacation Bible School, and other summer ministries. We're coming to realize that though the classes and homework are important, it is also important to spend time in personal discipleship with the students.

CCBC Okinawa recently put together a promotion video for the Japanese side of the Bible College. Please click the picture to the right and watch the video. Please note that this video is geared toward prospective Japanese students (no English subtitles). Please keep us in your prayers!

Thank you all for your prayers and encouragement. We are thankful that we get to serve the Lord here in Okinawa. May the Lord richly bless you.

Pray for:

- Trevor, who stepped out in faith to move to Sapporo. May the Lord see him and meet all his needs.
